

## A Storybook Romance

We met in March 2020 on a language learning site. I had been looking for someone like you my entire life. I immediately admired you for your brains, beauty, charm, and effective executive skills. I fell deeply in love with you. I have often said that meeting you was a divine gift, because you have so transformed my life in so many positive ways. You are so feminine and such a powerful woman.

I told you that I was going to shout from the rooftops my love and also my pain and self-loathing for losing your respect, because of my failure to communicate properly with you.

You know that I feel totally devastated by constantly disappointing you!

Nevertheless, I need you and want you in my life! You are everything to me. You are my world. At a minimum, I would like to help you with the same things that you offered to help me with.

I think everything should be klar when two people care about each other as we do; Klarheit fördert das Verständnis. Ich liebe Dich unendlich. Das Leben ist zu kurz! idaD ivD Möge Gott Dich segnen für immer u ewig.
