DECLARATION

The “client” expressly agrees that the “Mainly Health Plans SL” can process his / her personal data, including data regarding health, for the following purposes:

- Activities of “Mainly Health Plans SL” are:
 - Distribution of insurance products, advice, proposals or providing information prior to signing an insurance policy, signing policies or providing help in managing and use of such policies, including any claims.
 - Selling translation activities and English language learning training.
- Complying with “data protection requirements”.
- Sending technical, operational and comercial information by traditional and / or electronic means regarding different products and / or services current offered by “Mainly Health Plans SL” or that may be offered in future.

The “client” agrees that his / her data will be given to insurance companies so that insurance contracts can be issued and for the corresponding services to be provided.

The “client” retains the right to withdraw his / her consent at any time. To do this the client will contact “Mainly Health Plans SL” by normal post or by email shown in the heading of this document. Withdrawal of consent won't affect the validity of data processing up to the time consent is withdrawn.

The “client” is also provided with the document PI-2018-RGPD (GDPR) showing the policy of Mainly Health Plans SL.

In Yunquera de Henares (Guadalajara), on of 2018.

Signed by “the client”,
