

Knowledge Probe provides digital marketing solutions that help your small business or BIA promote its products and services to the local shopping community.

When you need online awareness **faster** and **cheaper** than a local web provider or IT specialist can supply, we are ready to deliver results as your digital marketing partner.

Using proven technologies you can reach more people, especially mobile smartphone shoppers, in a shorter period of time with ...

- A mobile-friendly website that acts like an advertisement
- With Interactive, smartphone coupons, PayPal interface
- Local shopping games: Discover Aurora, Hidden Cash
- Merchant-specific games like "Drop to Shop", "UnCover Me"
- Interactive newspaper advertisements
- Professional, branded emails (stop using GMail, Bell, Hotmail, Yahoo etc)
- Local directories: 905.tel 416.tel RichmondHill.tel Aurora.tel
- Deal mapping sites to showcase local deals and coupons
- GTA directory for wider regional awareness
- In-store rewards and incentives
- Automated tweets to expand social engagement and reach
- Unique search engine optimization technique.
